MINIMUM ANNUAL ELECTRICITY CONSUMPTION REQUIREMENT:

This Easy Energy Electricity (Small Business) offer includes a Minimum Annual Electricity Consumption requirement based on 60% of the volume of electricity supplied to the Site/s in the previous 12 months of ordinary consumption, which will be obtained from the Network Operator. This Minimum Annual Electricity Consumption requirement will be specified as the Off-Peak Minimum Annual Electricity Consumption value in the Commercial Terms.

Your Minimum Annual Electricity Consumption will be confirmed by AGL | Perth Energy when your application is accepted by AGL | Perth Energy. You should review your Minimum Annual Electricity Consumption and confirm that it is suitable for your business.

The Minimum Annual Electricity Consumption confirmed in our acceptance will apply for the Contract Term unless we agree otherwise in writing and subject to any applicable cooling off period.

Shortfall Electricity Charges (based on your Minimum Annual Electricity Consumption) will be payable if the contract is terminated for any reason before the Contract End Date.

Your attention is drawn to clauses 5.8(c) and (d) of Perth Energy's Electricity Supply Agreement Standard Terms and Conditions (Small Use) NonStandard Form Contract.

IMPORTANT: If your business has not operated from the Site/s for the past 12 months of ordinary consumption or has materially changed its operations or the way it uses energy, this Easy Energy Electricity (Small Business) offer may not be suitable for your business and we encourage you to select the 'get a quote' option or contact us on (08) 9420 0300 to discuss your business energy needs.
