MINIMUM ANNUAL QUANTITY REQUIREMENT:

This Easy Energy Gas (Medium & Large Business) offer includes a Minimum Annual Quantity requirement based on 60% of the volume of gas supplied to the Site/s in the previous 12 months of ordinary consumption, which will be obtained from the Network Operator.

Your Minimum Annual Quantity will be confirmed by AGL | Perth Energy when your application is accepted by AGL | Perth Energy. You should review your Minimum Annual Quantity and confirm that it is suitable for your business.

The Minimum Annual Quantity confirmed in our acceptance will apply for the Contract Term unless we agree otherwise in writing and subject to any applicable cooling off period.

The Minimum Annual Quantity is used to determine the early termination fee payable in the event you terminate the contract before the expiry of the Contract Term. Your attention is drawn to clauses 5.8(c) and (d) of AGL | Perth Energy's Standard Terms and Conditions for Gas Supply (Large Use Gas Customer).

IMPORTANT: If your business has not operated from the Site/s for the past 12 months of ordinary consumption or has materially changed its operations or the way it uses energy, this Easy Energy Gas offer may not be suitable for your business and we encourage you to select the 'get a quote' option or contact us on (08) 9420 0300 to discuss your business energy needs.
